Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Through British Guiana to the Summit of Roraima Made any serious attempt to investigate the interior Of their heritage. Their revenue has always been spent upon coastal development; and a conviction exists that the interior is not only a death-trap, but also a wilderness Of useless jungle and sandy deserts. Many attempts were made to dissuade me from venturing into it with my husband, and I was assured that I was risk ing my health - nay, my life. But the call of the wild was too strong, and I shall always be glad that I decided to go; for the fact that a woman has traversed these forests and the high land prairies beyond during many strenuous weeks and came back with health and vigour renewed may perhaps dispel the legends accumulated about the horrors of the bush, and induce people to investigate for themselves the charms and opportunities of this neglected land, or at least to travel with us in spirit into those great expanses Of sleeping Nature which await the day of man s occupation. British Guiana lies, like the princess Of the fairy-tale, in an enchanted sleep. One day, surely, the fairy prince will come, mounted upon an iron horse, and bid her awake! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
